

WELDING CAPABILITIES

Established in 1956, Industrial Machine & Mfg. Inc. (IMM) is a world class custom manufacturer serving the global markets of Mining, Oil & Gas, Power Generation, Industrial, Agriculture, Recycling and OEM's. We are a leader in the industry by providing innovative solutions, custom manufactured components and services.

IMM's 88,000 square foot full service manufacturing facility filled with modern, world class machinery which offers custom and production machining, specialty welding and fabrication, surface solutions, and industrial mechanic services to the heavy resource industries as well as OEM's. We are COR Certified, CWB Certified, ISO 9001-2015 certified and we constantly strive towards our Safety, Quality and Productivity standards.

Industrial Machine's Welding department including the cranes, robotic welders and positioners are intentionally designed to safely handle the largest and most challenging projects.

IMM INDUSTRIAL
MACHINE & MFG. INC.

WELDING CAPABILITIES
